Headteacher: Mrs Hannah Roddy

### **PE and Sport Premium for primary schools**

The PE and Sport Premium is an allocation of additional funding provided to schools to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport offered within school.

We believe that PE and Sports are an integral part of every child's education and development. We aim to inspire the next generation by providing a wide range of sporting opportunities that cater for children of all abilities. We feel that all children should have access to quality PE provision, with the intention of increasing the amount of young people taking part in regular sporting activity throughout their lives.

In the academic year 2020/2021, Thrussington Cof E Primary School received a total of £16610 which has been spent as follows:

Improvement Indicators	Action	Impact
<p>The engagement of all pupils in regular physical activity.</p>	<p>Sports coach to run clubs at lunchtimes to make them more interactive.</p>	<p>More children are now active for longer periods of time at lunchtimes and break times, this means they are achieving their target of 30 minutes of activity within the school day.</p>
	<p>Sports coach/ dinner supervisors to facilitate pupil lead activities for other pupils.</p>	<p>Pupils are now regularly leading activities for other children. This has helped some of the less active children get involved as it is their fellow classmates leading the activities. This also facilitates the development the lead child's confidence to run their own session.</p>
	<p>Joining SSPAN, paying for the full membership package.</p>	<p>Through SSPAN, we have accessed various initiatives to encourage children to become more active, such as the virtual tournaments which has had positive effects on amount of physical activity the children participating complete.</p>

<p>The profile of PE and sport is raised across the school as a tool for whole-school improvement.</p>	<p>Wider whole school curriculum review prioritising the importance of PE and sport for all classes</p>	<p>Prioritisation of PE and Sport is used as a model for other areas of the curriculum. This is part of the wider curriculum review which the school is undertaking.</p>
<p>Increased confidence, knowledge and skills of all staff in teaching PE and sport.</p>	<p>LSA training to be a Sports Coach through a Sport Coach apprenticeship with Loughborough college</p>	<p>Increased confidence in DF, qualifies in July and will continue to coach and support school sport through his new role.</p>
	<p>Employing experience coaches to work alongside DF to develop his skills during his apprenticeship</p>	<p>DF has worked well with external coaches in tennis, multisports and football over this year to help develop his pedagogy.</p>
<p>Broader experience of a range of sports and activities offered to all pupils.</p>	<p>Due to COVID this was limited but we did tap into some of the online wellbeing sessions</p>	<p>Teacher time given to planning and delivering wellbeing sessions during this year in and out of lockdown. This is something we hope to build on next year</p>

	New Curriculum Map (Equipment)	<p>This year we have developed a new curriculum map (developed by DF) to ensure the children are being exposed to a range of sports and physical activities. In order to ensure the teaching of this was possible, we ordered the equipment needed to do so. This means that the children will be exposed to a wider variety of activities this year during their curriculum PE time.</p>
Increased participation in competitive sport	SSPAN	<p>A section of the funding has been spent on the Local School Sports Partnership.</p> <p>This means we have access to a large number of well organised virtual sports events and competitions. We even won the Daily Boost challenge ( £150 of equipment) and the Sustran's Big Challenge (a scooter pod)</p>

NB: Due to the national lockdown we have not been able to undertake any swimming lessons this academic year.

Swimming Indicators	Percentage of children (%)
Swim competently, confidently and proficiently over a distance of at least 25 metres.	n/a
Use a range of strokes effectively.	n/a
Perform safe self-rescue in different waterbased situations.	n/a
