## Thrussington C of E Primary School

June 2014

Dear Parent

Welcome back to the remainder of the Summer Term. There is much to look forward to and dates will be important. In the case of Sports' Day and Whole School Performance, two dates have been set in the event of inclement weather, so please ensure that you have them in your diary.

In the latter part of last half term, the children in Year 6 sat their Statutory Tests (S.A.T.'s), marking the end of their primary school phase of education. It was a very long week with several hours of tests each day. It is a huge event for children, with business having to be conducted in a very formal way – sealed papers; serried rows of tables and chairs and monitoring visits by the Local Authority. The children acquitted themselves very well and I hope that they will be justly rewarded. The results will be received by the school at the end of June.

By the end of the term, all the children will have undergone assessments, some of which will be statutory, and the end-of-year, school reports will be issued recording and reflecting on their progress over the course of this year. There will be an opportunity for parents to discuss the content of the reports with class teachers before the end of term.

Thank you for responding to the recent questionnaire regarding out-of-hours Breakfast and After-school clubs provided by "Beaver Childcare Ltd." The information has been passed on to the company for analysis. I will press them for an early response and forward information as soon as I can.

Yours sincerely  
Mrs E Moore  
Headteacher

### Goodbye to:

At the end of this academic year, Mrs. Robinson will be leaving. Family reasons have meant that she will end her eight years' association with Thrussington School and we wish her, and her family, well and thank her for her significant contribution to the school's continuing success. I will be increasing my teaching role in Class 3.

# JUNE 2014 NEWSLETTER

## Over Subscription

There were over forty applications for nine Reception places for September, 2014; a wonderful endorsement of what we are doing right, but a tragedy that we cannot take them all! As you will be aware, we are collaborating with the P.T.F.A. to raise funds to create an additional teaching base and will be submitting a bid to the Education Funding Agency, for capital funding, at the end of this year. Financial assistance is sorely needed.

## Welcome

**We would like to welcome the four families who have recently joined our school**

## Office

Parents are politely asked that if you wish to speak to someone in the school office, that you go to the front door and not via Class 1.

Thank you

## LOOK out for ...

- ♦ **Class Act Talent Show**
- ♦ **Lunch for parents of leavers & September 2014 Reception children**

## Diary

- 17.06.14 Multi-skills at Loughborough University - Year 2
